

Assignment 3 – Loops

Problem Statement:

You work in XYZ Corporation as a Data Analyst. Your company has told you to work with the looping statements.

Tasks To Be Performed:

1. Print the numbers from 1 to 10 using while loop.

```
In [3]: i = 1
while i<=10:
    print(i)
    i += 1
```

```
1
2
3
4
5
6
7
8
9
10
```

```
In [ ]:
```
